Court advises that the evidentiary record is now closed. The court expects that the defendants will send the Postelle autopsy report to plaintiffs' counsel immediately after it is received. If either side perceives a reason, and it must be a very good reason, to supplement the record with the Postelle autopsy report at any time before entry of judgment in this case, they may file a motion seeking that relief.

Closing arguments.

The court encourages the parties to order the transcript of this trial asap. The court directs the court reporter to prepare a consolidated pdf version of the transcript in one volume.
